Georges Rousse, *Marseille Rouge*, 2011, at Sous Les Etoiles Gallery

Georges Rousse  
*Marseille Rouge*, 2011  
Sous Les Etoiles Gallery

Georges Rousse at Sous Les Etoiles Gallery is working in a more abstract, colored form. This geometric work reminds me of my favorite work I just saw at The Getty, by Alison Rossiter. I am drawn to this use of color blocking and contrast more and more. The way light and dark dance.
